PREVENTIVE MEDICINE & OCCUPATIONAL HEALTH TRAINING COURSE FY 2004

GENERAL INFORMATION

1. **Quotas**: Quotas may be requested from the respective activity by letter, message, fax, e-mail, or via schoolhouse web page. Quotas are not granted via phone (except for extenuating circumstances) due to the high number of No-Shows they generate). To request a quota, forward the following information: course title and date, branch of service, rate/rank, full name, unit/command/ company, mailing address, telephone number, fax number, and e-mail address. Quota confirmation will be returned by same method used to request the quota. See special directions for each command in paragraph 4, below.

2. **To Cancel a Quota**: If students are unable to fill a requested quota, please notify the training activity as soon as possible. If quotas are filled, individuals may request to be placed on a standby list. Individual will be notified if/when a quota becomes available.

3. **Uniform**: Uniform of the day is required for all military personnel. Appropriate attire is required for all civilians. See special instructions in paragraph 4.d for NEPMU6 Pearl Harbor.

4. **Orders**: TAD orders are not required for personnel only attending training classes. The individual's parent command will retain service, health, dental, and pay records. When messing and/or berthing are required, it is recommended that parent commands issue orders as follows:

a. **NEHC**: Orders should direct students to report to the Commanding Officer, Navy Environmental Health Center, at the address provided in paragraph 1. During normal working hours (0730-1600), individuals report directly to the Navy Environmental Health Center. After hours individuals may leave a message on (757) 953-0700. Report prior to 0730 on the day of the class. There is no military berthing available in Portsmouth.
